

Sedgeberrow Playgroup

Behaviour Management Policy

Sedgeberrow Playgroup uses effective behaviour management strategies to promote the welfare and enjoyment of children attending the Playgroup. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies.

The Playgroup's designated member of staff responsible for behaviour management is [Colette Malin].

Whilst at Playgroup we expect children to:

- Use socially age / stage appropriate acceptable behaviour
- Respect one another, accepting differences of race, gender, ability, age and religion
- Develop their independence by maintaining self-discipline
- Choose and participate in a variety of activities
- Ask for help if needed
- Enjoy their time at the Playgroup

Encouraging positive behaviour

Positive behaviour is encouraged by:

- Staff acting as positive role models
- Praising appropriate behaviour
- Informing parents about individual achievements
- Offering a variety of play opportunities to meet the needs of the children attending the playgroup

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Playgroup will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour appears to be as a result of boredom, staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- Corporal punishment or the threat of corporal punishment will never be used.
- Use of visual aids i.e., "Good listening"/"kind hands cards"/signals etc
- Consult / gain support from the improvement advisor.

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Playgroup may decide to exclude the child in accordance with our **Suspensions and Exclusions** policy. The reasons and processes involved will be clearly explained to the parents.

Physical intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property. If a member of staff has to physically restrain a child, the manager will be notified and an **Incident record** will be completed. The incident will be discussed with the parent or carer as soon as possible.

If staff are not confident about their ability to contain a situation, they should call the manager.

All serious incidents will be recorded on an **Incident record** and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an unknown underlying cause. If a pattern of incidents indicates possible abuse, we will implement child protection procedures in accordance with our **Safeguarding** policy.
